Dear Friends in Christ,

We're excited to announce changes to the leadership at BHM, wherein we - the BHM Board of Trustees - has transferred its duties of leadership, stewardship, and financial support to Mission of Hope, Haiti - a Christian US 501©3 organization, with an excellent reputation for advancing the Gospel in Haiti over the last 20 years.

We approached Mission of Hope (MOH) after much prayer and reflection regarding the direction and support needed for the impact we desire to see through BHM in Haiti. It was clear to us as we sought the ideal partner that MOH was the clear choice. MOH's stewardship of resources, incredible impact in Haiti, and their commitment to seeing the Gospel of Jesus Christ proclaimed throughout Haiti made them the right choice for leading the organization we love.

As you may know, the Constitution of BHM identifies its purpose to be the propagation of the Gospel through the church, education, medical care and development. This couldn't fit more clearly with Mission of Hope, whose vision states that "as an organization following Jesus Christ, we exist to see life transformation for every man woman and child in Haiti." We praise God that we are able to pass the baton to an organization who has been a partner in the Gospel in Haiti for decades and who shares a common vision and demonstration of faith.

As God's ministry moves forward, we are excited to hear more details from the new leadership team on how BHM will be multiplying the gospel in Haiti. MOH will bring fresh support and strategies to the common vision of seeing the name of Jesus proclaimed in Haiti. Through our joint prayers, support and partnership, together we have seen God's hand at work through BHM. MOH accepted this responsibility with great anticipation and responsibility as they continue building on this 75-year legacy of gospel advancement at BHM.

Please stay tuned for more about this exciting transition of leadership. May God be glorified and may we continue to support BHM as a ministry of MOH. We know God has great things in store advancing His Kingdom through BHM for the next generation in Haiti!
